1. I found your topic and speech really helpful because for quite a while now I've been wanting to adopt a dog, the information was really beneficial, thank you!
2. I believe the attire worn could be better, it can help you increase your professionalism
3. I really liked your word choice, and the format of your speech, looked like if you were prepared and practiced beforehand
4. I think time should be taken into consideration, I believe you went a little over the time limit
5. Consider adding hand gestures and face expressions
